

Gichure Maina | Frontend Web Developer

Location: Nairobi, Kenya

Telephone: +254712230093

Email: gichuremaina1@gmail.com

Professional Profile

I am a passionate, self-taught Frontend Web developer with proficient skills in HTML, CSS, Javascript, Bootstrap and Reactjs as my developer tools. I have done several real-time projects which have contributed abundantly in my tech career progress. I am looking forward to expanding my knowledge and experience in our ever changing tech industry today and contribute to making an impact in our lives while offering my services as a Frontend web developer.

Core Skills

- HTML
- CSS
- Javascript
- Bootstrap
- Reactjs

Career Summary

2021 – Present

I have done several projects that are specifically based on the exact technical skills needed in the tech industry today to develop real-time website applications that are fully functional in both desktop and mobile views.

I have also acquired a voluntary role as a tech community lead at The Cooperative University of Kenya and an ambassador of Lux tech academy tech community where I learnt and gained all my Frontend web development skills during their 2021 Javascript developers family bootcamp.

Key Responsibilities

- Frontend Web developer
- Frontend Javascript mentor
- Cooperative University of Kenya tech community lead.

Education

2019 – Present

The Cooperative University of Kenya

Bachelor of Science in Information Technology

Location:

Karen, Nairobi

P.O Box 24814-00502

I joined The Cooperative University in September 2019. I am currently pursuing Bachelor of Science in Information Technology.

2015 – 2018

Nyandarua High School

Kenya Certificate of Secondary Education

Location:

OI Kalou, Nyandarua

P.O. Box 61, OI Kalou 20303

I joined Nyandarua High School in February 2015 and got my Kenya Certificate of Secondary Education certificate in 2018 after completing my high school learning.

Hobbies and Interests

One of my major interests is blogging. I have a personal blog whereby I write articles about life hacks, life experiences, self-awareness, meditation and mindfulness which has made me gain confidence as a blogger.

I am talented in the artistic world and I have a passion and love towards art in all its forms. I also do love reading books as one of my hobbies during my leisure time.

I also do have good interpersonal and oratorical skills which I tend to use them during my leisure time as when socializing with different new people.
